"The Monarch will win" is an expression heard in bicycle races oftener than anything else. It has not yet been heard here because Monarch Bicycles have not yet been introduced, but when they are they will not take second place in speed, weight or quality of material.

The Monarch is just what its name implies, the King of bicycles, and we are authorized agents for the Hawaiian Islands.

This wheel is made by a company whose standing in the manufacturing world is at the head; they are putting money in their wheels and selling them at a low price because they are not anxious to make themselves rich in a year. For that reason they have put the price within the reach of everyone.

The coming models in the Monarch are No's 8, 9, 10, 11 and 12. These include racing and ladies' wheels. They are fitted with either "Demon" or "King-fisher" lamps, and with this on the front-end you can see so far ahead of you that night riding is more of a pleasure than you have been used to. With a Monarch Bicycle you don't have to keep a lamp on the back to keep drivers from running over you; the mechanism is such that a high rate of speed is attained without much muscular power.

Our prices of the genuine Monarch wheel will be twenty-five per cent less than you ever heard of a first class bicycle being sold for. We can do it because we are the manufacturers' agents and have no middle man's profits to pay. Call at our store and examine our Agency papers and secure a handsomely illustrated catalogue.

A second hand Columbia safety can be had of us very cheap, the owner wishing to dispose of it and buy a Monarch.

If you are sceptical call on us and learn that the place to buy the best bicycle is at.

ARTISTS TO APPEAR.

Visiting Musicians to Entertain
Lovers of Violin and Harp.

John and Madam Marquardt, two artists who arrived by the Australia, will give two concerts in this city prior to their departure for Australia. Both musical events will take place in Y. M. C. A. Hall, Friday and Saturday nights of the present week. Seats for the concerts will be placed on sale at the Hobron Drug Company's store on Wednesday morning; reserved seats, one dollar each.

Mr. and Mrs. Marquardt come to Honolulu well recommended and their appearance in public is eagerly looked for by people who appreciate good music. Honolulu has not been visited by a professional violinist since Musin was here; theatergoers all remember how successful he was—and the public are assured that Mr. Marquardt will give equal if not better satisfaction.

Of Madam Marquardt the American papers have nothing but praise to bestow. She has an excellent reputation as a harp soloist and her playing will be a decided novelty in Honolulu.

Local musicians should see that both concerts are well attended in order to encourage other artists to visit Honolulu.

MARRIED IN BOSTON.

Union of a Chicago Professor and a Honolulu Lady.

An interesting account appears in the Boston Advertiser of June 5 of the wedding of Miss Ida Mott Smith, daughter of Dr. and Mrs. J. Mott-Smith, and Prof. Robert Morris of the Chicago University, the event having taking place the previous day. Rev. A. B. G. Allen of Cambridge performed the ceremony. Norman Haggood of New York was best man. Miss Emily Lovett of Brookline was maid of honor, and there were four bridesmaids. E. A. Mott-Smith, brother of the bride, was one of the ushers. The bride was beautifully gowned in ivory tinted brocade satin and Honiton lace, with square court train. The tulle veil was arranged in her hair with lilies of-the-valley, and the same flowers were carried.
